

Moscow Polytechnic Student City

What does the Hostel Student Council do?

Protect your rights and your interests in the bedroom.
They help solve household problems and domestic problems.
Organize residents' leisure.
Stay up to date with current information. They do everything to make your life in the hostel as comfortable as possible.
Each hostel has (or partly) its own Student Council.
The guide can be: the president of the Council, its vice-presidents, the president of the Information Commission and the Housing and Housing Commission. If there is no such Council, all questions can be directed to the hostel commander.

Infrastructure

Hostel No. 1

Address: Moscow, Malaya Semenovskaya Street, 12

Nearest metro station: elektrozavodskaya (7 minutes, 570 m)

Nearby buildings: Campus on Bolshoi semenovskaya (5 min, 460 m),

Body in Pavel Korchagin (~40 minutes by 11 tram, ~1 hour 10 minutes by metro)

Comment:

In the first hostel there are several floors with greater comfort. There is a gym.
Near the hostel there is a football and basketball field. Updated cooktops. There

is a living room on the ground floor. You can meet in the evening for meetings, board games, watching Series and movies.

Hostel No. 2

Address: Moscow, 7-Parkovaya Street, 9/26

Nearest metro station: pervomayskaya (7 minutes, 570 m)

Nearest buildings: campus on Bolshoi semenovskaya (28 minutes by metro), Corpus Christi in Pavel Korchagin (~55 minutes by 11 tram, ~ 55 minutes by metro)

Bedroom type: hallway - separate rooms along the hallway, sanitary unit and kitchen on the floor, shared bathroom.

Comment:

The hostel is small, only 5 floors, everyone knows each other, they always help if you need something. So you feel at home. Very good location, near the forest and the beautiful boulevard, 5 minutes to the metro. Excellent Student Council that actively participates in the development and life of the hostel, also attracting many students. Recently, thanks to them, they managed to arrange and open a gym in the dormitory. We renovate the rest room, spend Saturdays, go in the Izmailovskyforest.

Hostel No. 3

Address: 1-I dubrovskaya, D. 16A, P. 2

Nearest metro station: Dubrovka (12 minutes, 710 m)

Nearest buildings: Campus on Bolshoi semenovskaya (~ 40 minutes by metro),

Building on Avtozavodskaya (~20 minutes by bus, ~ 40 minutes by metro)

Bedroom type: hallway - separate rooms along the hallway, sanitary unit and kitchen on the floor, shared bathroom.

Comment:

The hostel is near the main training building on Avtozavodskaya. Near the hostel there is MCK Dubrovka and the metro station, which greatly simplifies the way to the University. In addition, the area is equipped with many shopping centers and cinemas.

Hostel No. 4

Address: Moscow, ul. 800th anniversary of Moscow, D. 28, K. 1

Nearest metro station: Seligerskaya (24 min, 2.04 km)

Nearest station: bezkudnikovo (5 minutes, 500 m)

The nearest bodies: the Corps in Pryanishnikov (~40 minutes by bus, ~50 minutes by MSD with transfer to MK)

Building in Mikhalkovsky (~40 minutes by bus, ~50 minutes by MSD with

transfer to ICC)
Campus on Bolshaya semenovskaya(~ 1 hour 10 minutes in the shopping center
with metro transfer)
Bedroom type: Apartment - 1-3 rooms in a block with a sanitary node, shower
and kitchen

Comment:

Our hostel is Apartment type, which means it is the best. It is located a five-minute walk from the Beskudnikovo MTSD station. More recently, the elevators and windows have been replaced. The Student Council actively supports dormitory life, not forgetting to help students solve their problems. And most importantly, the area is quiet and peaceful.

Hostel No. 5

Address: Moscow, ul. mikhalkovskaya, D. 7, K. 3

Nearest MCC station: koptevo (7 minutes, 570 m)

The nearest body: the Body on Mikhalkovskaya (1 min),

Body in Pryanishnikov (10 minutes, 860 meters)

Dormitory type: block-2 rooms in a block with a sanitary node and a shower, shared kitchen on the floor.

Comment:

To the nearest MCC walk 10 minutes. Tram tracks pass immediately, and there is a bus stop nearby, so there are no problems with transport. In the area there is a

beautiful park and a "large garden pond", so it is very pleasant to go in pairs . You can swim in a boat or even yourself, but I haven't tried it. Still, the bedroom is very close to the physical education training body, a couple of minutes and I'm already in a couple. We have 3 working elevators in the hostel, recently one completely replaced with a new one.

Hostel No. 6

Address: Moscow, Boris Galushkin Street, Dima 9
Nearest metro station: BДHX (15 minutes, 1.27 m)
The closest body: the Body of Pavel Korchagin(11 min, 930 m),
Campus on Bolshaya semenovskaya (~50 minutes by 11 tram,~ 1 hour by metro)
Dormitory type: block-2 rooms in a block with a sanitary node and a shower,
shared kitchen in the passage

Comment:

Nearby there are many shops, tram to the metro and of course VDNH. There is a place to walk, and the beautiful views will not leave anyone indifferent.

Hostel No. 7

Address: Moscow, ST. Pavel Korchagin, D. 20A, K. 3
Nearest metro station: VDNKH (21 minutes, 1.76 km)
Nearest buildings: campus on Bolshoi semenovskaya (~45 minutes),
Corpus in Pavel Korchagin (~1 minute)
Bedroom type: hallway - separate rooms along the hallway, sanitary unit and
kitchen on the floor, Shared shower

Comment:

Near the hostel there are several cheap cafes, grocery stores, bus stops to the metro VDNKH, Alekseevskaya.

Hostel No. 8

Address: Moscow, Riga Proezd, D. 15, K. 2
Nearest metro station: VDNKH (22 minutes, 1.9 km)
Nearest buildings: campus on Bolshoi semenovskaya (~45 minutes),
Corpus in Pavel Korchagin (~2 minutes)
Bedroom type: Apartment - 2 rooms in a block with a sanitary node, shower and kitchen

Comment:

A more adult contingent lives in the hostel, respectively, it is quiet and calm here. It is spacious here, many amenities (because there is an Apartment type), it has its own parking lot and entrance for residents.

Hostel No. 9

Address: Moscow, Riga Proezd, D. 15, K. 1
Nearest metro station: VDNKH (22 minutes, 1.9 km)
Nearest buildings: campus on Bolshoi semenovskaya (~45 minutes),
Corpus in Pavel Korchagin (~2 minutes)

Bedroom type: hallway - separate rooms along the hallway, sanitary unit and kitchen on the floor, Shared shower

Comment:

Near the hostel there are several cheap cafes, grocery stores, bus stops to the metro VDNKH, Alekseevskaya.

Hostel No. 10

Address: Moscow, 1-th Baltiysky Lane, D. 6/21, K. 3

Nearest metro station: Sokol (7 minutes, 610 m)

The nearest bodies: the Body on Avtozavodskaya (50 minutes by metro),

Corpus Christi in Pryanishnikova (~45 minutes by metro)

Casco on Mikhalkovskaya (~35 minutes by metro)

Dormitory type: mixed corridor - separate rooms along the corridor, sanitary unit, shower and kitchen on the block floor - 2 rooms in the block with sanitary unit and shower, shared kitchen on the floor

Population

Moscow Polytech has the opportunity to populate all foreign citizens in its 10 comfortable hostels.

For this it is necessary:

- To submit the documents to the admissions office, indicate the need for a shelter,
- After registration, apply on the established campus form and choose a hostel,
- To establish, have certificates from the skin dispensary and Venereology, HIV study results, RW, Fluorography, preventive vaccination certificate.

Next, you must follow the instructions on campus.

Hostel accommodation for first-year students, as a rule, takes place between September 1 and 14

After settlement, it is necessary to register at the place of residence with the migration registration authorities.

When staying in a hostel, it is necessary to respect the property of the hostel. Everything necessary for a comfortable stay will be given upon arrival by the hostel administration.

To facilitate accommodation in the hostel, it is necessary to interact with neighbors in a spirit of camaraderie and good neighborliness.

Foreign citizens cannot hesitate and ask questions of interest to any senior student and representative of the hostel administration, and can be sure of receiving a competent answer or good advice.

Bandwidth

mode

Passage to campus is via a set sample pass, which is issued at the University's pass office. The pass is the main document for passage to the university city. Recovery of a lost pass is carried out at the pass office at the request of the resident, submitted through his or her Personal account.

Rules for visiting the hostel

The following categories are allowed for residents on campus

people:

- University students upon presentation of a renewed student card;
- direct relatives of residents, when documents confirming relationship with residents are presented to security officers;
- University workers, upon presentation of a pass;
- other people by presenting an identity document, in the application (established form) who lives on campus, with a positive resolution from the campus administration.

Visiting guests living on campus is allowed from 10-00 to 23-00.

The stay of the guests - direct relatives who live in the university city no more than 3 days are allowed 1 time a month.

The total number of guests in the apartment - no more than 2 people.

Departure from the hostels:

When temporarily leaving the campus during the vacation period, please notify the campus administration about the departure and rent housing in appropriate sanitary and technical conditions.

Measures

Throughout the academic year, various types of events are held at the University for all tastes.

Events can take place both in one of the University buildings and at any point in Moscow, where students are invited.

Basically everything happens outside of school hours, there are also exhibitions/excursions together with the teachers, which is not a couple's pass.

You can be aware of past and future events through the QR code.

Fire safety rules in the hostel

Fire safety rules in the hostel include the following prohibitions and recommendations:

1. Electrical safety:

- The use of improvised electrical devices and uncalibrated fuses is prohibited.
- Electrical appliances with faults that can cause a fire are also prohibited.
- It is prohibited to use electrical appliances with open conductor cables without appropriate protective covers.

2. Use of electrical devices:

- The use of electric kettles, electric heating devices for heating premises and irons is prohibited, except in specially equipped rooms.
- The use of electric stoves, electric kettles and coffee makers without thermal protection devices is also prohibited.

3. Condition of the lead wire:

- Electrical appliances with a current-carrying cable consisting of several parts that do not correspond to the technical condition are prohibited.

4. Adapters and wiring:

- The use of adapters and temporary wiring to connect refrigerators and electric heating appliances is prohibited.

5. Connect consumers:

- It is prohibited to connect two or more electricity consumers to the same power source.

6. Lighting device:

- It is prohibited to cover lighting fixtures with combustible materials and install combustible materials closer than 0.5 m from the luminaires.

7. Electrical safety:

- It is prohibited to clutter access to electrical equipment and hang various items on electrical devices.

8. Storage of flammable materials:

- The storage of fire hazardous substances and materials in residential premises is prohibited.

9. Prohibited activities:

- Smoking, the use of open fire, as well as cluttering the doors with furniture and other objects is prohibited.

10. General compliance with fire protocols:

- It is necessary to comply with all prescriptions and instructions on fire safety established by the hostel administration.

These regulations are intended to guarantee the safety of the hostel's occupants and prevent possible fires.

Rules of Action in the Event of a Fire in the Bedroom:

1. Report fire:

- Immediately call the emergency number 01 (or 112) and report a fire.
- Contact the duty officer or Hostel Security Service for more information.

2. Fire extinguishing:

- Start extinguishing the fire immediately using the extinguishing media available in your room, if it is safe.
- Use fire extinguishers, fire blankets or other available means.

3. Safe exit:

- If you cannot put out the fire on your own or if the situation worsens, try to leave the room.
- Close the door, but do not lock it to allow easy access for firefighters.

4. Evacuation:

- Follow certain evacuation routes, avoiding elevators. Meet the rest of the occupants in a safe place as provided in the evacuation plan.

5. Help others:

- If you see that someone needs help and it is safe to provide it, do so.
- Meet with the rest of the residents and check that everyone is safe.

6. Do not return to the building:

- After evacuation, do not return to the building until you have received permission from the fire department or other security services.

7. Compliance with Firefighters' Instructions:

- In case the firefighters arrive, follow their instructions and provide all necessary information about the event.

8. Communicate your actions:

- After evacuation, report your actions to security officers or the Fire Department to record and coordinate actions.

9. Prepare yourself:

- Make sure you know in advance the location of firefighting equipment, evacuation routes and collection locations.

10. Compliance with general rules:

- Follow the general fire safety rules prescribed by the hostel administration.

Remember, it is important to stay calm and act according to the fire safety plan.

Activities in case of Fire outside Your Bedroom:

1. Fire alarm:

- Immediately call the emergency number at 01 (or 112) and report a fire in the hostel.

2. Protection in the room:

- Close the window and door of your room to isolate yourself from smoke and fire.
- In case of heavy smoke, try to create a door seal to minimize smoke penetration.

3. Evacuation:

- Leave the building through the nearest safe exit if it is safe. Use evacuation routes.

4. Location Message:

- If evacuation is not possible due to strong smoke, stay in the room.
- Close the door to create a smoke barrier and try to inform management about your location, for example through a window.

5. Turn off electrical appliances:

- When leaving the room, make sure that all electrical appliances, such as the TV, Radio and lights, are turned off.

6. Waiting for rescue:

- Wait for lifeguards to arrive by staying in contact with hostel management and emergency services.

7. Help message:

- If you have the opportunity, try to provide information about your location to the hostel administration.

8. Room maintenance:

- If you stay in the room, keep it in the best possible order and avoid panic.

9. Following the instructions:

- Follow the instructions of the lifeguards and hostel management upon arrival.

10. Help the neighbors:

- If your neighbors need help and it is safe, provide help.

These measures are intended to ensure your safety in the event of a fire outside your room. It is important to remain calm and act in accordance with safety instructions.
